SUBJECT: NOTICE OF AGENCY ACTION

Individual Water Use Permit No. 2E-133-6638-5

Dear Permittee:

Your Individual Water Use Permit transfer has been approved by the Northwest Florida Water Management District. Enclosed is your permit as authorized by the Northwest Florida Water Management District subject to the terms and conditions set forth in the enclosed permit document. As the legal entity responsible for compliance with the conditions of the permit, please read the document thoroughly. Pay close attention to the condition(s) of the permit, if any, which require the one-time or periodic submittal of information to the District.

This permit is a legal document and should be kept with your other important records. Please read the permit and conditions carefully since the referenced conditions may require submittals. All information submitted as compliance with permit conditions must be submitted by mail to Water Use Compliance, Bureau of Performance and Compliance Improvement, 152 Water Management Drive, Havana, FL 32333, by email to compliance@nfwwater.com, or through our ePermitting website. All correspondence should include the above referenced number.

If the property where the withdrawal facility is located again changes ownership, the permit must be transferred. A permit transfer request must be submitted by you and approved by the District. If the permit is not transferred, you will remain the entity of record responsible for compliance with the conditions of the permit document.
